SOLE IMPORTERS. No. 338 Broadway, N. Y.

This DELICIOUS TONIC especially designed for the use of the Medical Profession and the Family, possesses those intrinsic medicinal properties (Tonic and Diaretic) which belong to an Old and PURE GIN. The business of manufacturing spurious gins, and offering them as boverages, under the titles, " Aromatic,"—" Cordial,"—" Medicated," etc., has become so common, that the pairlic are justly suspicious of nearly everything that is offered under similar forms, and the trade has thus been brought into disrepute It has remained for our house (established in 1778) to supply the pressing popular need, and to inaugurate a new era in the history of the Trade. We trust that our established reputation — founded upon eighty years of experience - abundantly vindicates our claim to public confidence.

A comparison of "Bininger's Old London Dock Gings with others ben'ng similar names, will establish its superiority, and make other Carrrors unnecessary.
